We want to include news from your school, church or department in one of our denominational publications. When something happens in your area please write a 150 to 200-word article about your news. Remember that a good article answers the following questions: What happened or what will happen? Who was or will be involved? When did or will it happen? Where did or will it happen? What was or will be the result?

Be sure to include at least two publication quality photo/s with captions. A good caption tells what is happening in the photo and answers what, why, who, where and when.
