

## Bedtime Story Outline

1. These are by the same author as the Bible Stories, but they're true stories about boys and girls around the world.
2. They also teach the character-building lessons. You'll find here in the front a lesson index.
3. These also have the same great pictures on every open page. BENEFIT
4. One of my favorite stories is...(Share story like Peter Pays Up)
5. There are animal stories like Tinker the Tale of A Puppy.
6. This set also has stories like Who Was Jesus and answers questions like Does Jesus really answer children's Prayers? Of course He does.
7. This is followed by a story where two little boys had their prayers answered.
8. There are also stories about science. This one is about Galileo, the Boy Who Brought Heaven Nearer through the invention of the telescope.
9. Tell one or maybe two full stories.
10. Close: You can see that this is like our variety set. It has something for everybody. Review features (artwork, lessons, etc.) and ask, "If you had a set of books like these in your home, would you use them?"

### Extra info for use in some canvasses:

- Almost 200 stories
- Uncle Arthur actually wrote these books first, and they were so popular that they asked him to write that Bible Stories.
- Used to be a 20 volume set; these are the most popular stories.
- Dr. James Dobson recommends them because they teach by example.
- Be able to tell a variety of stories. Some for boys, girls, young children, older children, children of different nationalities. or grandparents.
